

IronRidge offers three unique pole mounting solutions to provide installers greater versatility across a wide range of solar mounting scenarios.

IronRidge Pole Mount System includes three easy to install, user-adjustable pole mounting solutions engineered to accommodate a wide range of solar applications including off-grid backup systems, call boxes, solar lighting, water wells, traffic signals and dozens of other small area applications.

Key Features

Easy Tilt Solar Panel Adjustment
Enables Optimal Panel Alignment

Compatible With Most Commercially Available Solar Panels

Traditional Carrier Shippable (UPS, FedEx, Etc)

Easy Assembly And Affordable Pricing
Minimizes Total Cost Of Installation

Backed By Industry Leading Warranty
10 yr. Limited Product, 3 yr. Finish

Tilt Range of 15 - 65 Degrees For Seasonal Adjustments

Best Customer Service And Support

Installers have come to rely on our easy to use installation manuals and post/pole/pier installation guidelines.

You will find these and other IronRidge Pole Mounting documents located within the IronRidge Resources box at www.ironridge.com/pole-mounts.

Top Of Pole Mount is a heavy duty mounting system ideal for single pole, multi panel arrays with a tilt range of 15 - 65 degrees. Mounted above either 4" or 6" poles, this configuration supports most manufacturer's modules. Our Top of Pole mounts are manufactured using powder coated steel and heavy-duty corrosion-resistant 5052-H32 aluminum.

Side of Pole Mount is designed to fit pole diameters of 2" to 4", and to support modules with a center-center weight distribution sized from of 19" to 39". Tilt range includes 15 - 65 degrees. IronRidge Side of Pole Mounts are manufactured using heavy-duty corrosion-resistant 5052-H32 aluminum.

Single-Arm Side Mount easily attaches to poles 2" to 4" in diameter, walls and other flat surfaces, and supports module widths between 5.26" and 25.5", and a tilt range of 15 - 65 degrees. These units are manufactured using heavy-duty corrosion-resistant 5052-H32 aluminum

IronRidge customers rave about our **Pole Mount Configurator Application** located within the 'Tools' tab at www.ironridge.com. For additional support, contact customer service at 800-227-9523, or at service@ironridge.com

Why IronRidge

Experience - Designing/manufacturing solar mounting products since 1996

Single Source - Roof mounts, ballasted mounts, large arrays, and more; *a solution for your specific application*

Customer Satisfaction - Customer service and technical support to help you succeed

On-line Resources Available:
