

Limited Warranty for Trojan Battery Renewable Energy Product Line

Effective for batteries purchased after January 1, 2012 in the United States, Canada and Mexico
 Also effective for select international Authorized Trojan Renewable Energy Accounts

Trojan Battery Company ("Manufacturer") warrants, only to the original purchaser, that its batteries listed in the table below, if purchased from Manufacturer or an authorized distributor, dealer, or installer in the United States, Canada and Mexico and used in renewable energy or backup power applications will be free from material defects in material or workmanship from the date sold to the original purchaser through the date stated in the following table (the "Warranty Period"), subject to adjustments as noted below the table. If the battery becomes unserviceable (not merely discharged) due to defect in material and/or workmanship within the Warranty Period, Manufacturer will, at Manufacturer's option, either: repair the battery, replace the battery with a same or similar battery or provide a credit for a pro-rated portion of the current manufacturers suggested retail price for the defective product that can be used toward purchase of a new battery of Manufacturer. This warranty is non-transferable.

Product Line	Battery Types	Free Replacement or Repair Period (Months)	Pro-rated Credit Period (months)	Total (Years)
Signature	24TMX, 27TMX, 27TMH, 30XH5	3	4 through 12 months	1
Signature	T1275, T105, T125, T145, J185P-AC, J185H-AC, J305P-AC, J305H-AC, L16P, L16H	12	13 through 24 months	2
Premium	T105RE, L16RE-2V, L16RE-A, L16RE-B	24	25 through 60 months	5
Industrial	IND9-6V, IND13-6V, IND17-6V, IND23-4V, IND29-4V, IND27-2V, IND33-2V	36	37 through 96 months	8
AGM	U1 AGM, 22 AGM, 24 AGM, 27 AGM, 31 AGM	12	13 through 24 months	2
Gel	6V Gel, TE35 Gel, 24 Gel, 27 Gel, 31 Gel, 55HP Gel, 8D Gel	12	13 through 24 months	2

During the free repair or replacement period, the battery will be repaired or replaced with an in kind replacement and after a battery has been repaired or replaced this warranty shall continue with respect to the repaired or replaced battery for the balance of the original warranty period on the original product.

(Current Manufacturers Suggested Retail Price ÷ Warranty Period (in months))	x (# of Months remaining in Warranty Period)	= Prorated Credit Amount
--	--	--------------------------

The dollar amount of any pro-rated credit amount is to be based on the actual purchase price at time of original purchase, divided by the number of months in the warranty period then multiplying the sum by the remaining months in the warranty period:

A battery will not be considered failed, defective or unserviceable unless it fails to deliver 50% or more of its rated capacity (temperature corrected to 80°F) during the warranty period. A failed battery is not necessarily due to a manufacturing defect and must be verified.

HOW TO RECEIVE WARRANTY SERVICE AND/OR MAKE A CLAIM:

To resolve problems with a battery covered by this limited warranty for renewable energy and backup power applications, contact the local distributor, wholesaler, dealer or installer from which you purchased the battery in order to confirm the battery condition/defect. You will need to provide proof of purchase along with the date code for the batteries and regular service records upon request. The Manufacturer or its authorized representative may inspect the battery, which may require having the batteries sent for testing to Manufacturer or its authorized facility with freight prepaid by the customer. Acceptance of the battery at the facility for testing does not mean that the Manufacturer will accept the warranty claim. Batteries still in serviceable condition or otherwise not covered by this Limited Warranty will be returned to the customer at the customer's expense and may be subject to a testing fee. If you have questions about this limited warranty, please contact the nearest authorized Trojan Battery Company dealer or the Trojan Battery Company customer service department at +1-562-236-3000.

WARRANTY EXCLUSIONS:

In addition to the warranty disclaimer set forth below, Trojan Battery Company will not be responsible for any expenses for transportation, duties and taxes, installation, recharging, electrical system tests, loss of time, loss of use of equipment, service calls, use of rentals, or other expenses.

The Warranty Period will be reduced if operating temperatures exceed 80°F (27°C), as follows: the Warranty Period will be reduced by 50% for every 15°F of operating temperatures over 80°F.

Batteries should not be used in applications that exceed 50% Depth of Discharge ("DOD"). A battery end-of-life within the warranty period that is deemed to be caused by wear-out due to discharge / recharge cycling will not be considered a defect and will not be covered by the warranty. The battery's life will vary based on the application in which they are used, frequency of discharges and depth of discharges. Each discharge that exceeds the recommended depth of discharge as stated in Manufacturer's literature will diminish battery life.

The battery must be used in the application for which it was designed. The battery owner must read warning labels on the battery and exercise due care in working on or around it. The battery is intended to be serviced only by persons with training or experience with batteries.

Trojan Industrial line batteries must be maintained in accordance with Trojan Battery's Operating and Maintenance instructions (www.trojanbatteryRE.com) and the owner of the batteries must maintain a maintenance log indicating records of use and maintenance and shall at all times permit examination of these records by Trojan Battery Company authorized representatives.

THE PROVISIONS OF THIS LIMITED WARRANTY SHALL NOT APPLY OR EXTEND TO ANY PRODUCTS THAT HAVE BEEN SUBJECTED TO:

Accident, abuse or neglect such as improper fluid levels (over or under watering); discharging beyond depth of discharge recommended in Manufacturer's literature; damage from shipping; loose wiring; rusted or corroded hardware; improper maintenance; improper installation; improper storage; improper removal; improper repair; neglect; breakage; cracked covers and cases; bulged or otherwise damaged cases from heat; freezing; fire; broken/melted terminals; explosion; wreckage; exposure to excessive heat or cold temperatures; operating conditions or applications above the rated capacity of the product; the addition of any chemical or solution; insufficient charging (undercharging or overcharging); use of the battery in an uncharged condition; discharged batteries; improperly sized batteries or oversized battery sets; improperly sized charging systems; batteries damaged from electrical equipment; if the manufacturing and/or finishing date codes have been destroyed or tampered with; or if the batteries have not been used, operated and/or maintained in accordance with Trojan Battery Company's Operating and Maintenance instructions.

WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY

This limited warranty is exclusive and is in lieu of, and manufacturer disclaims and excludes, all other warranties or remedies for breach of warranty, whether statutory, express or implied warranties, including, without limitation, any warranty of merchantability, non-infringement, or fitness for a particular purpose. Manufacturer's exclusive liability for breach of any warranty on the battery shall be to repair or replace the battery or repay the pro-rated portion of the actual purchase price paid for the defective product within the warranty period in accordance with the terms of this limited warranty. In no event shall trojan battery company or any of its affiliates be liable in contract, tort or otherwise for any loss, claim or damages of any other kind, whether direct, incidental, consequential, exemplary, special, punitive, remote or otherwise, including any lost profits, lost revenue, loss of equipment, cost of purchased power, cost of substitute product, facilities or services, claims of customers of owner, or removal, shipping, transportation or installation expenses. Further, in no event will trojan battery company's total liability exceed the sum paid by owner for the product giving rise to the claim hereunder.

All warranties implied by state law, including implied warranties of merchantability and fitness for a particular purpose, are expressly limited to the duration of the limited warranties set forth above.

No person, agent, distributor, dealer or other third party is authorized to change, modify, or extend the terms of the limited warranty in any manner whatsoever.

LEGAL RIGHTS

This Limited Warranty gives you specific legal rights, and you may also have other rights which may vary from country to country or state to state. Some countries and states do not allow any limitation on implied warranties or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.
